

Introducing OnStrategy Mobile.

Helping people stay focused on the things that matter most.

Why it's great:

- ✔ **Priorities in your pocket.**
See your goals and actions in a single glance.
- ✔ **Manage performance in 30 seconds.**
Quickly update your progress.
- ✔ **Know exactly where you are.**
Check your personal dashboard in one click.
- ✔ **Stay agile because the unforeseen always happens.**
Add, edit, and modify goals as you need.
- ✔ **Connect and collaborate to work with other teams.**
Get visibility to the dependencies of others.
- ✔ **Targeted notifications to keep you focused.**
We'll remind you when to check in on your performance.

Staying focused has never been easier.

With the OnStrategy Mobile app, stay focused on your results. From goals that need updating, to seeing what you are actively managing and what's coming down the pipeline – it's your plan in your pocket.

Use OnStrategy Mobile to:

- ✓ Keep your most important priorities at your finger tips.
- ✓ Manage your performance in 30 secs.
- ✓ Add goals and action items on the fly.
- ✓ Monitor progress of team collaboration.

How to Use OnStrategy Mobile:

Keep Focused: Know how you are doing against priorities by keeping your progress current weekly.

Flagged

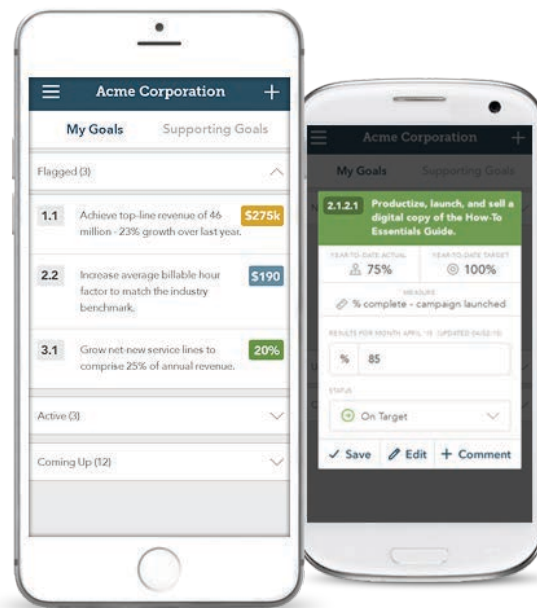

Goals that require an update.

Active

Current goals with updated progress.

Coming Up

Goals starting within 90 days.

Stay Current: Goals that require updating appear at the top so you can easily find your focus. Simply tap and update.

1. Enter your updated data
2. Select the current status
3. Add a comment

*You can use the Edit button if you need to change the details of the goal.

*Be sure to turn on notifications for reminders.
